Scholarships and Discounts

- The Opportunity Scholarship was created by the North Carolina General Assembly to aid in paying tuition at a private school. Parents of any North Carolina student entering kindergarten through 12th grade at a private school can apply.
  - For more information regarding the Opportunity Scholarship and to apply, visit this website: https://k12.ncseaa.edu/
  - Note: The Opportunity Scholarship has the option to not disclose your income. If you select this option, you will automatically be placed in the tier 4 funding bracket which would fund less than half of the full-time tuition.

- If a family is not awarded the Opportunity Scholarship, additional scholarships may be available through CFA. For more information regarding CFA scholarships, email finance@christianfamilyacademy.org.

- For non-scholarshipped students, a 10% discount is available on tuitions that are paid in full by July 1.
